AILA Low Bono Referral List for Afghans

The American Immigration Lawyers Association (AILA) is pleased to share the following list of immigration attorneys who have expressed interest in providing immigration assistance to Afghans resettling in the US at a reduced fee. Each attorney's name, location, contact information, experience, language skills, and availability for remote representation are listed below. The legal services to be provided and the fees will be determined between the client and the attorney. Please note that contacting an attorney on this list does not guarantee that they will be your attorney. **When contacting an attorney on this list, please note that you are contacting them through the AILA Low Bono Referral List for Afghans.**

If you have any questions, please contact Erin Lynum at elynum@aila.org.
